

**SAN QUINTIN NATIONAL HIGH SCHOOL**  
**San Quintin, Pangasinan**

**To All Quintinians In The World:**

**We take pride and honor to let the whole world know that the town of San Quintin has carved its indelible mark on the national map of Philippine education.**

**Instrumental in this are the innumerable national academic and non-academic achievements of the students of San Quintin National High School particularly in Campus Journalism, Mathematics, Sports, and Science and Technology.**

**These were made possible through the unified efforts of the school and the community despite of the very limited resources and facilities.**

**At present, the school is at a crucial road. It is true that we are in the era of software, advance phase of science and technology, and in a situation like this, taking the backseat is possible if we do not move.**

**The challenge of the time is global competitiveness and it is the mission of our school to empower the youths to become productive, responsive, and competitive citizens not only of our country but of the whole world as well.**

**Hence, may we appeal to all of you- our brothers and sisters around the world- to become our partners in this noble task. Together let us build an edifice – a two-storey electronic library in particular- that can provide our youths the necessary information technology facilities to make them at par and updated and connected to the rest of the world.**

**Rest assured that your donation plays a potent role in the preparation for their lifetime career and in their responsible participation in community and national development.**

**Give hope! Have a heart! Take a hand in our youths' future!**

**MABUHAY PO KAYONG LAHAT!**

**(Sgd.) JULITA U. MEDENILLA**  
**Principal II**
